# Edge Smart Connect Keyboard

Edge Smart Connect Keyboard is a premium, rugged keyboard solution for classroom iPad deployments. Durable protection against drops, scratches or spills. Designed to enable the best student learning experience, the case is drop-tested for up to 6-feet and the detachable keyboard is built from durable materials that promote proper typing skills. Drive better student engagement, creativity and accessibility to iPad education apps at every grade level.

Features

- Features elevated keys to promote proper typing skills - seamless transition to Chromebook
- The ultimate in versatility. The keyboard easily attaches and detaches with a magnetic connector or permanently locks preventing it from being lost or forgotten.
- Spill proof, passing IPX4 water resistant testing
- Easily wipes clean
- TechShell Certified – Passed 6' Drop Test
- Breakproof kickstand with 3 positions for best viewing angle and typing experience
- Pry-resistant keys
- No power required – the keyboard is charged directly from the iPad
- No pairing required – the keyboard connects to the iPad instantly
- Features 6 row keyboard with common helpful shortcut buttons
- Ability to charge and store Apple Pencil (only Gen 1)
- Accessible charging port for Apple Pencil design
- Integrated Apple Pencil holder – available at no additional cost
- Clear backing designed for optimal asset tagging
- Tested and approved at a 3rd party lab selected by Apple to ensure this case meets their strict requirements
- Included in Apple Care+ bundle program (1-year, 2-year, 3-year, 10-pack)
