

Protect+ for iPad Mini (6th Gen)

Protect+ for iPad mini (6th Gen) combines Brenthaven's trusted device protection featuring Crumple Zone Corner Technology and ruggedness to withstand six (6) foot drops, with Brenthaven's revolutionary, cable-free, charging station, Power5.

With features like an optional screen protector, adjustable hand strap, and camera and port covers to protect delicate areas from the elements, you can be confident that Brenthaven's Protect+ Case for iPad mini provides premium protection, top-of-the-line features, and is exclusively compatible with our Power5 Charging Station with the addition of our patented Cable-Free Adapter.

Features

- Provides edge-to-edge protection featuring Crumple Zone Corner technology-compatible with optional shoulder strap (sold separately)
- Allows for cable-free charging – exclusively compatible with Power5 Charging Station (Patented Cable-Free Adapter sold separately and required for cable-free charging)
- Easy access to native charging port for charging with cable
- Best-in-class protection against drops, scratches, water and dirt; built to withstand drops up to six (6) feet, includes optional screen protector
- Removable port and camera covers to protect areas from the elements
- Comfortable yet durable, retractable hand strap that serves also for carrying
