

Protect+ for iPad mini (7th/6th Gen) Kit

Brenthaven's Protect+ case for iPad mini (6th gen) offers maximum iPad device protection. With Crumple Zone™ Corner technology and ruggedness built to withstand six (6) foot drops; you can be assured that your device can handle any bumps it may encounter. The optional screen protector, camera, and port covers, and its ability to be combined with our patented Cable-Free Adapter, allowing integration with Brenthaven's Power5 Charging Station, make this case one of a kind.

The small footprint and sleek design mean managing your iPad fleet is streamlined like never before. With five (5) bays, allowing iPad devices to charge simultaneously, you can do away with messy cables for good. This bundle of five (5) cases, five (5) adapters, and the Power5 Charging Station allows you to upgrade to the latest cable-free charging technology at the best price point

Features
